

## A Brief Report

### Teachers' Workshop: Unfolding National Curriculum Framework: Foundational Stage

**Organizer - Modern Institute for Education**

**Venue: Modern School Barakhamba Road**

Modern Institute for Education held a highly informative workshop on the National Curriculum Framework: Foundational Stage. The workshop took place on July 1, 2023, and was conducted by Dr. Romila Soni Bhatnagar, Associate Professor at the Department of Elementary Education, National Council of Educational Research and Training.

Pre-school and early grade teachers from five elite schools of Delhi NCR, participated in the workshop demonstrating their commitment to professional development and educational excellence. The event was inaugurated by the Director-Modern Institute for Education, Ms. Abha Sadana, who provided

valuable insights into the vision, mission, and objectives of the Modern Institute for Education. These objectives include researching school education, upskilling teachers, and creating a dynamic network of educators. During the workshop, Dr. Bhatnagar delivered a comprehensive orientation on the National Education Policy 2020, National Initiative for Proficiency in Reading with Understanding and Numeracy, and the national curriculum framework for the foundational stage. She emphasized the significance of reading with understanding as a fundamental building block for learning across all subjects. Dr. Bhatnagar also highlighted the crucial role of language in cutting across various subjects and syllabi.

One of the workshop's key highlights was Dr. Bhatnagar's emphasis on the importance of teachers understanding the functioning of the brain to become more effective educators.

This workshop not only provided valuable insights but also empowered teachers with the necessary knowledge and tools to enhance their teaching practices.

### A FEW MORE GLIMPSES OF THE SESSION
